# Alpha F14

## Agromaster Alpha F14 Twin

### **Proudly manufactured in Europe**

The Ultimate Economy Spreader. Introducing The Alpha F14. This Twin Disc Spreader can easily dispense more than 1-ton of granular fertilizers, including urea, sans the heavy cost.

Ask us about our competitive equipment Finance rates!

**SEEDERS • AERATORS • SPREADERS • SPRAYERS • MIXERS • SLASHERS • CULTIVATORS • WRAPPERS**

The Agromaster F14 is a premium economy Fertilizer Spreader specifically built for the Australian market.

Armed with Two sets of highly-accurate Stainless Steel Disc Spinners, this machine can easily hurl granular fertilizers up to 18-20 meters away.

With its massive 1400 L capacity, you'll no longer have to make unnecessary trips back to the shed for refills.

The hopper and spinners are made from stainless steel to help withstand rust and corrosion brought by frequent contact with chemical fertilizers.

**Standard features include Removable internal hopper screens, Mud guard protection, Wheels for easy maneuverability, and Easily Replaceable spare parts.**

- ✓ **Heavy-Duty PTO Gearbox for maximum power and durability**
- ✓ **Calibrate Rate and Dosage using Two lever Control System**
- ✓ **Hydraulic Shut-off Device lets you control your unit without leaving the cab**
