530 L Heavy duty stainless steel single spinner Fert spreader small capacity professional spreader strong frame to fit larger tractors.

The UV rated Poly hopper combined with a stainless steel spinner and agitator ensure the longevity of the unit. The strong pressed steel gear box and heavy steel frame are built to withstand the harsh agricultural demands.

The Iris KS-530P broadcasters features:

- ✓ Hopper material, poly
- ✓ Transmission gearbox in stamped steel with high resistance gears
- ✓ The spreading vanes and disc are made of stainless steel
