The main functions of these chisel type ploughs are breaking hard bottom soil which formed by ploughing and processing soil without tipping and airing. In case of sudden pressure, safety pins come into action and prevent the tractor and chassis from damage. Tines are designed to get the maximum output from your tractor by giving them the most appropriate submersion angle.

Model/Tines	CZ-5	CZ-7	CZ-9	CZ-11	CZ-13
Total Width	1570mm	2200mm	2700mm	3200mm	3700mm
Total Height	1300mm	1300mm	1300mm	1300mm	1300mm
Total Length	1800mm	1800mm	1800mm	1800mm	1800mm
Working Width	125cm	175cm	225cm	275cm	320cm
